THIRD DAY

Third Day's the Make Your Move Tour

April 15th

Volume 11 | Issue 2 | February 2012

JESUS SHACK

"Raising a generation to reach this generation."

Run it Back 4on4 Flag Football!!

Jesus Shack 4 on 4 flag football!!!! How was it? Well I had a blast. The Lord took care of us as we worked through Him in this event. It was a great success. The friends and families of 87 teams were able to have fun in a positive environment, through the love of Jesus Christ. Thank you to all of the sponsors and volunteers that came out to Run it Back 2012!!! We could not have done it without your support. We thank you. Looking forward to seeing what God has in store for the community as we move forward into this new year filled with events and opportunity

to spread His message throughout our City. Again, thank you to all the volunteers. Please contact jesusshack.com to get involved.

We have lots of events coming up this year, Newsboys this month, Hoops Xtreme

in March, and we will also be having a soccer tournament this year in May. Volunteers needed. Hope to hear from many people who want to take this year and get out into the city with our hearts set on Restoration of God's People.

For the year 2012 we will discontinue the cover letters attached to our mailed newsletters. We want to continue to encourage you to financially support Jesus Shack, because with your help, we can continue reaching the community through music, food and medicine. To plant a financial seed, Mail to the address below or log onto our website, and now by phone. Thank you!

JESUS SHACK™

God's Perspective

Life gives us many challenges, some challenges might seem impossible. I go to The Bridge Bible Church and Pastor Jeff Gowuling just preached on this very subject. I'm not sure what you are going through in your life but I can assure you that if we look at our trails through God's perspective you will have hope. If you choose to look at those same challenges through a human's perspective it will seem impossible. Pastor Jeff was teaching in the book of Luke and in the first chapter verse 11, Luke tells us how Zechariah was visited by an angel of the Lord and how Zechariah thought it was impossible for his wife Elizabeth to bear a child. You see Zechariah and Elizabeth were well beyond the child bearing age and for them to have a child was just simply not possible. The reason it was impossible is because Zechariah was looking at this through his own perspective and not through God's perspective. If you feel overwhelmed by life's challenges, I encourage you to give it to God and read Psalm 55 and dwell on verse 22.

I also want to encourage you to get a tour of Jesus Shack. If you would like a tour of Jesus Shack give me a call (661-324-0638) and I would love to give you a tour. The Circle of Friends is coming March 11th and if you don't have a ticket get one before it sells out. There are still tables for purchase also. Give me a call and I can give you the details.

Thank you and God bless,
John Houchin
Community Director

MOBILE MEDICAL UNIT

Currently, the clinic provides medical examinations, labs, X-rays, free of charge to all that qualify by being uninsured. We have had good success using the Wal-mart \$4 prescription formulary. Our patients are very proud people and do not want a hand out, only a hand “up”. Some patients give a donation for the services provided. As one patient said previously, “How did I get in this situation; I had no idea this would happen to me. When I lost my job, I lost my insurance. I have never taken a hand out in my life, I am so embarrassed to be in this situation.” Well, life does happen and that is why the Jesus Shack Mobile Medical Clinic is here!

100TH PATIENT

Jesus Shack Mobile Medical Clinic opened their doors on September 27. As of today we saw our 100th patient. We have had 213 patient visits. We have written over 400 prescriptions. We have done many women’s health exams and pap smears. Many persons have had their heart evaluated with an EKG. Persons that needed laboratory evaluations received needed blood tests. All of the patients have been prayed for and welcomed into a loving community that is concerned with their total well being.

HOW CAN YOU HELP?

Every dollar you donate is tax deductible, and goes towards the cost of operating expenses. Everyone that works on the Jesus Shack Mobile Medical Clinic is a volunteer, so our operating expenses are very low compared to the number of patients we see. Come by the Jesus Shack office and take a tour of the Mobile Medical Clinic. You will be impressed by what God is doing through this ministry.

During the first 4 months of operation \$41,870.00 in professional services.

Living it in 2012!!

What an incredible way to begin 2012. Volunteers from 7 different churches gathered and went out on the streets of Bakersfield sharing T.L.C (testimony, listening, compassion). What an impact one's actions makes to your community! The day was one of obedience and willingness of all of the volunteers to be present and available for God's purpose. What that required was living their faith. Each person that Saturday had to first get up and leave their comfy homes to come to Jesus Shack and meet and then being willing to move forward in faith to what the Lord had planned. Arise and move forward, following Jesus' steps. Thanks to everyone who helped make the first Street Teams of 2012 awesome! They ventured out, and invested time into the lives of others, who we believe will truly have "abundant fruit" in 2012 as they all are by faith, moving forward and "Living it in 2012."
